# **What is the *Community First* Initiative?**

**A Vision -**  
*for Folly's Future*

**A Promise -**  
*that Residents Come First*

**A Reminder -**  
*of what's Most Important*

## ***Community First Goals***

- 1. Keep Moving Forward**
- 2. Focus on Today's Issues**
- 3. Plan for Tomorrow's Challenges**

### ● **The Environment**

- Raise many of Folly's roads, including the causeway (No road should flood on a King Tide, now or in 2050.)
- Continue to improve drainage, island wide
- Locate and mitigate septic tank pollution

### ● **Quality of Life**

- Create a new approach to STR noise enforcement
- Expand beach access for the disabled and cyclists
- Fund more programs and services for our Seniors
- Expand the role of the Parks and Rec. Board
- Support and maintain STR regulations

### ● **Safety**

- Continue sidewalk expansion program, island wide (Let's plan for an island end to end "path".)
- Advocate for more crosswalks with SCDOT
- Increase speed limit enforcement on secondary roads
- House first responders in or near the City (To improve emergency response times.)
