John McFarland Offers a Vision for Folly's Future

(But Some Want to Go Back)

The Overriding Issue:

**Keep THE CAP or Not -
Who Should Decide ?**

You Can Trust John to:

- **Respect the Voters' Decision on THE CAP.**
- **Defend THE CAP on Council.**
- **Work with others on Council to ensure that any changes to THE CAP will be at the Ballot Box.**

Community First Goals

“I fully support all the Community First goals.” John McFarland

1. Move Forward not Back

2. Focus on Today’s Issues

3. Plan for Tomorrow’s Challenges

● The Environment

- **Raise many of Folly’s roads, including the causeway**
(No road should flood on a King Tide, now or in 2050.)
- **Continue to improve drainage, island wide**
- **Locate and mitigate septic tank pollution**

● Quality of Life

- **Create a new approach to STR noise enforcement**
- **Expand beach access for the disabled and cyclists**
- **Fund more programs and services for our Seniors**
- **Expand the role of the Parks and Rec. Board**
- **Support and maintain STR regulations**

● Safety

- **Continue sidewalk expansion program, island wide**
(Let’s plan for an island end to end “path”.)
- **Advocate for more crosswalks with SCDOT**
- **Increase speed limit enforcement on secondary roads**
- **House first responders in or near the City**
(To improve emergency response times.)

Editorial

Prepare For More Mudslinging

Based on our most recent election, prepare to see more character assassination attempts and more disinformation.

Q. What is character assassination.

A. “A deliberate and sustained effort to damage the reputation or credibility of an individual.”

Wikipedia

Q. What is disinformation?

A.”False or misleading information deliberately spread to deceive people.”

Wikipedia

Q. What should you do if you see disinformation.

A. You should challenge the person to present facts to support their claim; Innuendo, supposition and hearsay are not facts.
