## Let's End Where We Started !

### *Community First Goals*

1. Move Forward not Back
2. Focus on Today's Issues
3. Plan for Tomorrow's Challenges

#### • The Environment

- Raise many of Folly's roads, including the causeway  
(No road should flood on a King Tide, now or in 2050)
- Continue to improve drainage, island wide
- Locate and mitigate septic tank pollution

#### • Quality of Life

- Create a new approach to STR noise enforcement
- Expand beach access for the disabled and cyclists
- Fund more programs and services for our Seniors
- Expand the role of the Parks and Rec. Board
- Support and maintain STR regulations

#### • Safety

- Continue sidewalk expansion program, island wide  
(Let's plan for an island end to end "path".)
- Advocate for more crosswalks with SCDOT
- Increase speed limit enforcement on secondary roads
- House first responders in or near the City  
(To improve emergency response times.)
